Lock Surgeon or Door Surgeon, referred to as (LS & DS) throughout this Limited Warranty.

The following limited warranty applies to all services performed and products installed by LS & DS. It does not cover products installed by anyone other than LS & DS. This limited warranty will be taken in tandem with the manufacturers warranty or limited warranty and subject to the manufacturers warranty terms and conditions. LS & DS are not liable for labour charges or damages attributed to work done by anyone other than LS & DS and will not cover those charges or damages under this warranty. No other warranty implied or expressed will be valid.

A) New door installations, new hardware and new electric operators supplied and installed.

One year warranty on new products against manufacturers defects in materials.

One year warranty on labour, craftsmanship against installation defects.

Other extended manufacturers warranties may be applied to your product for a longer duration.

Labour will be charged on work performed to honour extended manufacturers warranties.

B) Parts and service / repair to existing hardware doors.

LS & DS will warranty components and material supplied to repair existing door / garage door / existing motors or hardware for a period of thirty (30) days against manufacturers defects.

Labour and craftsmanship will be warranted for a period of thirty days (30) pertaining only to the scope of work performed and only when technicians full recommendations have been completed during the repair process.

Terms and Conditions: Warranty and Return Policy

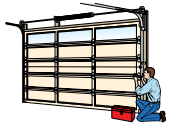

1. Proof of supply and/or install/repair is required to confirm product and/or labour warranty under the manufacturer or LS & DS warranty.
2. Products and/or material and/or parts purchased/supplied are covered only by product/manufacturer warranty and exclude LS & DS labour warranty.
3. All services and products provided by LS & DS are warranted against defects to the original consumer only as follows:
 - a) Complete door or complete door systems are warranted for LS & DS installation labour for a period of one (1) year from installation date.
 - b) Service or repair labour by LS & DS is warranted for defects for a period of thirty (30) days
 - c) Service and repair parts are warranted by LS & DS against defects for thirty (30) days from purchase date, with proof of purchase. Any claims after the said time will not be honoured.
 - d) LS & DS must be notified if an order shows up with missing parts or hardware within five (5) business days.
 - e) Warranties on products are void if those products have been used in areas or circumstances that go against Manufacturers or LS & DS's instructions or recommendations for said products.
 - f) Warranty times are not extended by the Manufacturer and/or LS & DS for labour charges from replacement of incorrect or defective products, parts or accessories.

4. Under this warranty, the Seller's (LS & DS), obligation is specifically limited to repairing or replacing, at their discretion, any part that is determined by the Seller (LS & DS) to be defective within the applicable warranty period.
5. Returns will not be accepted by LS & DS unless submitted to and pre-approved by LS & DS in writing and at LS & DS sole discretion. To have authorization, LS & DS must be contacted to provide an authorization number. This RGA (Return Goods Authorization) number must appear clearly marked on the freight bill and on the outside of all boxes. Failure to comply may result in the refusal of the return and the consumer incurring additional freight charges. All returns are to be shipped freight prepaid by customer - all "collect" shipments will be refused.
6. A 20% restocking fee is applied to all returns. No returns or cancellations will be accepted on custom/special orders or merchandise.
7. LS & DS reserve the right to investigate any claim to determine whether warranty applies, in whole or in part, without waiving the right to refuse warranty at a later date based on information discovered during the investigation.
